For Newcomers

We welcome you today! It is our desire to minister to those who have given up on the traditional church and those with no church home. We hope to have the privilege of getting better acquainted and being of service to you in whatever ways we can. Here are some ideas for newcomers to CVCC.

- RELAX! Feel free to dress casually, and don't worry about being singled out or embarrassed.
- REST ASSURED! Weekly your children will be ministered to in a fun and encouraging environment. They can enjoy the Kid's program or sit with you in the main adult service.
- RELEASE THE STRESS! Please accept the worship service as our gift to you, and don't feel any pressure to give an offering. Our regular attenders support the ministry and are delighted you are here.
- REFLECT! As a service to you a page of notes is included for each week's message. Notes may help with your retention and application of the week's lesson. Recorded messages are on-line weekly (capitalvision.org).
- REFRESH! Help yourself to refreshments provided by our Hospitality Team before or after the service.

Ministry Changes

A year ago, Pastor Bruce and the leadership offered me the opportunity to come to CVCC Full Time for (at least) one year. As that year begins to wind up, my plan is to pursue a ministry opportunity in Lewis County, closer to where we live. We have begun to deepen our roots in Centralia, where we reside, and Danielle's home town. We feel ministry in Lewis County is a good fit for me and our family.

It has been a wonderful year here at Capital Vision Christian Church! This has been a great body of Christ to serve during our first year in Washington! We have nothing but great memories that we will carry with us from our year here. As I transition to another location, we have some great leaders in place that will be taking over and growing the ministry. The purpose is the same; to reach our children, and our teens for Christ! Our Last Sunday here will be May 14th.

Thank you and God Bless,
Stetson McElhanev

It is with mixed feelings we accept Stetson's notice of ministry change. We have come to appreciate and love Stetson & Danielle so much, but realize God has opened additional doors for them. We totally support their desire to minister in the location that has become their home, and where God has called them. We have been the recipients of their ministry gifts and their amazing love for Jesus for the past year. We celebrate their time with us and the progress that has been made in several areas of ministry. Our Church family will continue to benefit from the accomplishments of this past year. We will continue to build on the base that has been laid. We are grateful God has given us friends and life-long ministry partners in the McElhanev's. It is exciting to know that their close proximity will allow excellent opportunities for close team-work as we move forward.

Be sure to take some time in the next month to express your personal appreciation and gratitude for their ministry. We will have a prayerful send-off soon.

Bro. Bruce
